

## INTEGRATED PAYMENTS

# Seamlessly Accept and Manage Credit Cards & Electronic Checks Using Your Ankota Software

### GAIN FINANCIAL VISIBILITY

Having a payment processing solution as part of your home care management software, makes it easier to view your finances and supporting details.

### IMPROVED OPERATIONAL EFFICIENCIES

Eliminate the need for manual data entry, saving time and money, as all payments are processed directly through Ankota.

### CAPTURE REPEAT PAYMENTS

Never miss a payment! Offer your clients the convenience of automating payments by securely storing a card or bank account on-file with Paragon's Tokenization.

### COST SAVINGS

With simple, flat rate pricing, never wonder what you'll pay for processing services as everything is included under one affordable rate.

### ACCEPT CREDIT CARDS & ELECTRONIC CHECKS

With Paragon, you can accept all credit card types (Visa, MasterCard, American Express, Discover, HSA/FSA cards, etc.) as well as electronic checks.
